Dear Parents

Pupil Progress Meetings

We hope you all has a good summer. As a school we are keen to share as much information with you about your child's learning as possible. In the Autumn term we would like to share with you your child's learning targets and targets for progress this academic year. We set targets in Autumn Term and then track the children throughout the year to ensure that they are making 'at least good' progress across the whole curriculum.

We send a detailed report for all children in March. This allows a mid-year exploration of progress to be shared with parents as well as any development points for the remainder of the year. We also report on social, emotional development and Foundation Learning. At the end of the year we have a summative pupil progress update including outcomes and attendance. Parents are invites to parent teacher meetings alongside all reporting.

In addition to measuring the breadth of children's progress, teacher discussion will also be around the depth of their learning.

Our target meetings will be held on Tuesday 27th and Wednesday 28th September 2022. Appointment slots will be made active via Tucasi from 12pm on Monday 19th, this is the only way appointments can be booked. Please sign up to SCO Pay if you have not already done so. The office can support with this, should you need any help.

We know from research, that engaged parents who help their children learn make a significant impact on their outcomes. We welcome your commitment and look forwards to working in partnership with you, so that we can support your child to be the best they can be.

Yours sincerely

Gerida Montague
Executive Headteacher
