

# **Year R, 1 and 2 Autumn Competition**

The half term holidays are fast approaching! We will be holding a competition for pupils over the break, which we hope you will all enter and enjoy!

Each pupil in Years R-2 is invited to create their own Pip and Pap character with an Autumnal theme!

We are asking that children use the attached template to design an autumnal alien character! They need to design their alien a hat, gloves, scarf and boots of their choice. All we ask, is that the alien's body and face is orange – the rest is up to you!

The winning designers will win a Pip and Pap book of their choosing and series illustrator David Tomkins will bring their creation to life!

We would like to showcase all entries on our website and social media pages, so please do be aware of this when you enter.

Please send any entries to [pipandpap@manselpark.net](mailto:pipandpap@manselpark.net) or bring in to your school office, with your child's name, school and class clearly visible. There is no limit to the number of entries you can send in – we hope you enjoy this challenge and that you have great fun during the half term break.

We have a range of 'Autumn' themed Pip and Pap Challenges linked to the four phonics phases to keep pupils busy over the half term holidays, such as word searches and crosswords. Check out [www.pipandpap.com/familyhub](http://www.pipandpap.com/familyhub) for more information.

All entries are due by Tuesday 31 October at 5pm.

Good luck!

The Team at Pip and Pap HQ
